TC-AG 125/850

Item No.: 4430971

Ident No.: 21010

Bar Code: 4006825651485

The Einhell TC-AG 125/850 angle grinder has been designed with a high priority on user safety for grinding, smoothing and derusting jobs. So there is a restart safeguard for safe operation and a wheel guard for extra user safety. The angle grinder has an 850 W rating for plenty of power and speeds up to 12,000 revolutions per minute. Tool change is easy and convenient thanks to the spindle locking system. A metal gear head provides flexibility while working. The additional handle can be fitted in two positions. The matching cutting wheel (Ø 125 mm) is available separately.

Features & Benefits

Technical Data

- Alimention secteur	220-240 V 50 Hz
- Puissance	850 W
- Vitesse à vide	12000 min ⁻¹
- Diamètre du disque	125 mm

Logistic Data

- Poids du produit	1.66 kg
- Poids brut a l'unité	2.56 kg
- Dimension du packaging unitaire	352 x 149 x 129 mm
- Unité par carton de suremballage	6 Pieces
- Poids brut du carton d'exportation	15.8 kg
- Dimension du carton de sur-emballage	465 x 360 x 280 mm
- Unité par container (20"/40"/40" HC)	3744 0 0
